

SOCIAL MEDIA “BUMS ON SEATS” STRATEGY

Over the last two decades, the Nourish Group has evolved to become the benchmark for hospitality businesses in New Zealand.

While their role as innovator and standard-setter requires global input, they're proud to be a local enterprise, adding value to the country's economy and culture.

Nourish Group has restaurants/cafes/bars in Auckland, Wellington, Taupo and Queenstown. They strive for excellence across the board - this includes great food, great beverages and great service!

ANALYSIS:

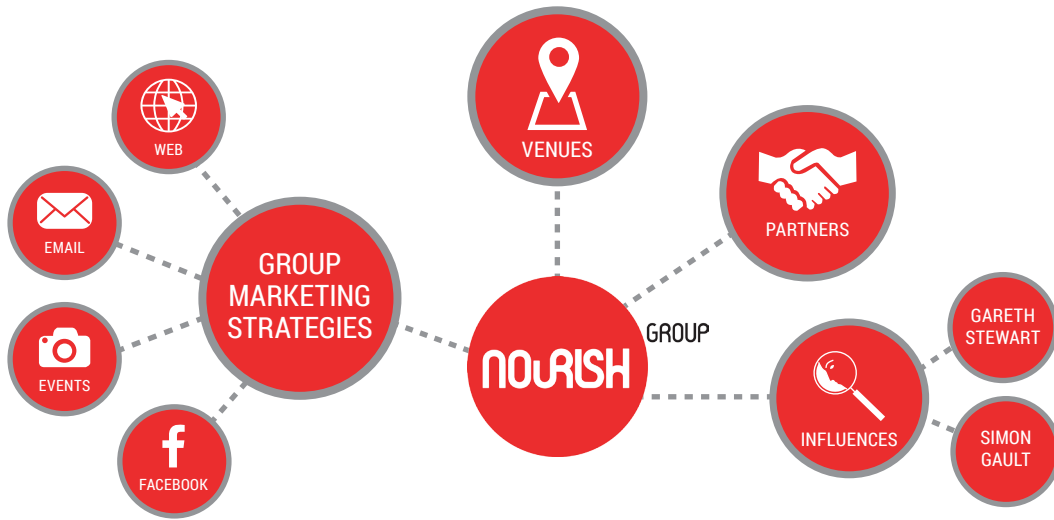

Firstly, Traff1k D1g1tal needed to understand the offering and point of difference existing at each venue. Gaining local knowledge and an in-depth understanding of target markets and competitor analysis was necessary for us to achieve an accurate overview. We then matched this data with each venues goals in order to wrap up our analysis.
